

## **CDC News (Sep 2016)**

The 55th CDC Meeting was held on 6 May 2016 (Friday). Salient points of the discussion are summarised as follows:

### **Progress of Renewing the Guide to the Pre-primary Curriculum**

- The progress of renewing the *Guide to the Pre-primary Curriculum*, which would be renamed as *Early Childhood Education Curriculum Guide (ECECG)*, was reported.

Members offered views and suggestions on the updating of the ECECG, including the space in kindergarten campuses, homework policy, moral education, nurturing children's creativity, and effective measures to motivate children to learn, develop their reading habits, enhance the transition from kindergartens to primary schools, and communicate with other stakeholders including government departments.

### **A.O.B**

- The formation of the Ad Hoc Committee on Secondary Education Curriculum Guide to advise on the drafting of the Curriculum Guide was reported.
- The progress of work of the Advisory Committee on Business-related Learning in Technology Education Key Learning Area at the Senior Secondary Level was reported.
