

**Gist of the Third Meeting of
the CDC Committee on Physical Education (2017-2019) held on 16 Oct 2018**

1. Members were briefed and discussed on the progress of the promotion of physical activity (the achievement of “MVPA60”) among students. Members’ suggestions for moving forward the promotion of “MVPA60” were noted.
2. Members were briefed and discussed on the support for enhancing the learning and teaching in PE and the update of the PE KLA Curriculum Guide (2017). Members’ views on the enhancement measures, namely the further promotion to different stakeholders, incorporation of different pedagogical models and inclusion of six strands in the assessment were noted.
3. Members were briefed on the teachers’ eligibility to teach PE.
4. Members were briefed on the 2018 HKDSE PE examination statistics and candidates' performances.
5. Members were briefed on the reading promotion activities run by the PE Section .
