

CDC Committee on Science Education (2017-2019)

Gist of Fourth Meeting

Date of meeting: 3 July 2019

1. The minutes of the third meeting held on 11 Dec 2018 were confirmed without any amendment.
2. The proposed member lists of the CDC-HKEAA Committees on Biology / Chemistry / Physics / Integrated Science were still being collated, and the lists would be circulated among members for endorsement in due course.
3. The key findings of the Science Education Key Learning Area (SEKLA) / STEM Survey were reported and discussed.
4. The progress of promoting STEM education was reported and discussed. The third and the fourth batches of the intensive training programme (ITP) on STEM education for curriculum leaders and middle managers of publicly-funded schools were completed. Details about other STEM-related Professional Development Programmes (PDPs) for teachers, including cross-KLA and subject-specific ones, as well as some large-scale STEM-related student activities, were reported and discussed.
5. The recommendations on STEM Education of the Task Force on Review of School Curriculum were briefed and discussed.
6. The support measures and resources development for the updated Science (S1-3) curriculum were briefed.
