

CDC-HKEAA Committee on Biology (2013-2015)
Gist of the 2nd Meeting

Date of meeting: 12 March 2014

Agenda Items:

1. To discuss the suggestions provided by the working groups for the medium-term review for the subjects of Biology and Combined Science (Biology Part).
2. To discuss the possibility for further streamlining of SBA.

Gist:

Key issues raised/discussed

- The Secretary briefed members the background, the principles, the directions and the timeline for the review of SBA.
- The possibility of further streamlining of SBA was discussed.
- Suggestions for further fine-tuning of the Biology Curriculum and Combined Science (Biology Part) curriculum were discussed.

Recommendations/actions to be taken

1. Members were invited to explore possible ways of further streamlining of SBA for discussion in next meeting.
2. The supplementary document will be updated in accordance with the suggestions made on clarification of the breadth and depth of certain subtopics.
3. No medium term recommendation was identified for the time being.
4. Another group of members would review the remaining parts of the curriculum in April.

Date of the next meeting: Jun ~ Jul 2014
