

CDC-HKEAA Committee on Chemistry (2015-2017)
Gist of the 6th Meeting

Date of meeting: 23-3-2017

Salient points of the discussion:

1. Parts of the results of the survey on the implementation of the updated Chemistry and Combined Science (Chemistry Part), conducted in October 2016, were reported and discussed. The discussion mainly focused on the data regarding teaching time and the comments collected for Topics VIII to XV.
2. The background information and the preliminary observations in the benchmarking study for the Chemistry curriculum conducted by Cambridge International Examinations were briefed and discussed.
