

CDC-HKEAA Committee on Chemistry (2017-2019)
Gist of the 7th Meeting

Date of meeting: 25-6-2019

Salient points of the discussion:

1. The views collected from school visits and the concerns of the members regarding the implementation of the updated Chemistry and Combined Science (Chemistry Part) curricula were reported and discussed.
2. The suggestions on enhancing the interfacing between junior and senior science curricula were deliberated.
3. The professional development programmes and the meetings of Learning Community on Chemistry Pedagogy conducted in January-June 2019 were briefed.
4. Views on the design of the 2019 HKDSE Chemistry and Combined Science (Chemistry Part) examination papers and questions were gathered.
