

CDC-HKEAA Committee on Chemistry (2017-2019)
Gist of the 6th Meeting

Date of meeting: 29-1-2019

Salient points of the discussion:

1. The support measures for the updated Chemistry and Combined Science (Chemistry Part) curricula, including professional development programmes for teachers, and continual development and dissemination of various learning and teaching resources, were reported.
2. Some of the new learning and teaching activities in the updated curriculum and assessment guides for Chemistry and Combined Science (Chemistry Part) and the related training courses for teachers were briefed and discussed.
