

1st CDC-HKEAA Committee on DAT (2017-2019) Meeting

Gist of the Meeting

Date of meeting:

20 Oct 2017

Key issues raised/discussed

- Members were briefed on the candidates' performance in 2017 DAT HKDSE examination by HKEAA and suggested support measures to improve students' learning in DAT.
- Members were briefed on the progress of support measures for DAT provided by CDI. Members suggested to offer more Professional Development Programmes on "Design drawing technique" for teachers, in order to improve the visualisation skills for the less able students.
- Members were briefed and discussed on the revised DAT School-based Assessment (SBA) criteria drafted by HKEAA. Members agreed the rationale of the revised SBA Assessment criteria to encourage students in producing prototypes of design.
- Members were updated on the latest development of STEM education in schools.
