The CDC-HKEAA Committee on
Design and Applied Technology (2021-2023)
Gist of the 1st Meeting

Date of meeting: 27 October 2021

Key issues raised/discussed

- Members were briefed on the terms of reference, roles and functions of the Committee as well as the declaration of interest, confidentiality and publicity of individual members.
- Members agreed unanimously that Dr YIP Wai-ming, who was the only nominee, to be the Chairperson.
- Members endorsed the notes of the 3rd Meeting of CDC-HKEAA Committee on DAT (2019-2021).
- To follow up with the discussion in last meeting about exploring the way forward for the on-going development of DAT, members were briefed on the background and present situation of the subject, views collected from different stakeholders and the proposed measures to promote the subject.
- Members shared their views on the possible directions of renewing the DAT curriculum, and they agreed to further arrange task group meetings for more in-depth discussion on reviewing the subject.
- Members were briefed on the candidates' performance in examination papers and SBA of 2021 DAT HKDSE examination.
- Members were briefed on the support measures for DAT including the learning and teaching materials, professional development programmes, showcase of SBA projects in 2021 and the issue of workshop safety, etc.
