

1st Meeting of the CDC-HKEAA Committee on Information and Communication Technology (2013-2015)

Date of meeting: 21 October 2013 (Monday)

Agenda Items:

1. To introduce the terms of reference, roles and functions of the CDC-HKEAA Committees
2. To elect the Chairperson of the CDC-HKEAA Committee on Information and Communication Technology (2013-2015)
3. To discuss the Guidelines on Medium-term Review of Senior Secondary Curriculum and Assessment
4. To discuss the medium-term review of Information and Communication Technology
5. To discuss any other business

Gist:

Key issues raised/discussed

- Members were briefed about the Guidelines on Medium-term Review of Senior Secondary Curriculum and Assessment, including the overarching principles, process and schedule.
- Members understood that there was no critical issue under ICT needed to be resolved in the medium-term review. Some Members remarked that support measures such as learning and teaching materials were needed to support frontline teachers.

Recommendations/actions to be taken

- CDI would continue to provide support measures including learning and teaching materials and relevant professional development programmes for ICT teachers.

Date of the next meeting: To be confirmed
