

**CDC-HKEAA Committee on Information and Communication Technology (2013-15) and
HKDSE Information and Communication Technology Subject Committee (2013/14)
Gist of 1st Joint Meeting**

Date of meeting: 15 May 2014 (Thursday)

Key issues raised/discussed

- ◆ Five proposals about the changes on SBA were discussed. Members did not have any consensus on the arrangement. It was agreed that three proposals were viable but needed further discussion/elaboration. A second meeting was needed and implementation details would be reviewed after having a consensus on the way forward on the arrangement of SBA.
- ◆ Regarding the review of the ICT curriculum, Members agreed to defer the discussion in the next meeting after attending the briefing session of the “Fourth Strategy on Information Technology in Education” consultation as well as collecting views from schools.
