

**The CDC-HKEAA Committee on Information and Communication Technology (Senior Secondary)  
(2013-2015) Second Meeting  
Gist**

**Date of meeting:** 23 October 2014 (Thursday)

**Key issues raised/discussed**

- ◆ The Meeting proposed to provide SBA samples for the other different elective options so as to enable teachers to know the requirement of the guided tasks in the related elective options.
- ◆ The Meeting agreed to include more methods and idea of debugging in the topic “Algorithm Testing”.
- ◆ The Meeting agreed to trim some content from the topic “The Use of Office Automation Software’ and ‘Internet Service and Applications”.
