The CDC-HKEAA Committee on
Information and Communication Technology (2017-2019)
Gist of the 1st meeting

Date of meeting: 12 Dec 2017 (Tuesday)

Key issues raised/discussed

- The meeting agreed to consider providing more types of question such as short questions in the ICT HKDSE examination to cater for learner diversity.

- The meeting agreed to form a working group to review the learning contents of Compulsory Part and Elective Part.
