

Gist of 4th Meeting of the CDC-HKEAA Committee on PE (2017-2019) and the Joint Meeting with the Subject Committee of the HKEAA held on 17 June 2019

1. Members were briefed the examination statistics and the general performance of candidates in the 2019 HKDSE PE.
2. Members were briefed on the measures and the way forward on supporting schools of the Senior Secondary (SS) PE Learning Circle. More emphasis would be put on the support to new teachers and the enhancement of learning and teaching in PE.
3. The exemption of examination of sports including athletics and swimming in Paper 3 was proposed in the meeting. Members supported the proposal by acknowledging candidates' attainment in the inter-school competitions. The HKEAA and EDB would explore the feasibility and set up the protocol for further discussion.
