Prof CHAN Kwok-sum

Gist

1. Terms of reference, roles and functions of the CDC-HKEAA Committees were discussed.
2. Prof HUI Pak-ming was elected as Chairperson of CDC-HKEAA Committee on Physics and Combined Science (Physics Part) for 2013-2015.
3. The minutes of the last meeting on 12 July 2013 were confirmed without any amendments.
4. Members were briefed on the latest development and progress of the review of the Physics and Combined Science (Physics Part) curriculum.
5. The following issues related to curriculum and assessment were identified and discussed:
 - Number of candidates taking Physics and Combined Science (Physics Part).
 - Format, coverage, mathematics and level of difficulty of the examination questions.
 - Good practices in learning and teaching to cater for learner diversity.
 - Role of mathematics.

- Further elaborate on the breadth and depth of the fine-tuned physics curriculum.
- Further trimming of curriculum content.
- Reducing of SBA weighting.

6. There being no other business, the meeting adjourned at 5:30 pm.
