

CDC News (Aug 2023)

The 6th meeting of CDC Standing Committee on STEAM Education (2021-2023) was held on 22 Aug 2023 (Tuesday). Salient points of the discussion are summarised as follows:

- The GBA Study Tour on I&T education conducted in June 2023 was reported.
- The passed Motion on “Improving innovation and technology education to strengthen the nurturing of local innovation and technology talents” at the Legislation Council (LegCo) Meeting of 6 July 2023 was reported and discussed.
- The work progress of various support measures on STEAM education, including the release of the two separate curriculum modules on coding education and artificial intelligence, measures in strengthening students’ learning in Science and Mathematics, the provision of professional development programmes on I&T for STEAM coordinators and those STEAM-related courses for teachers, grooming of gifted students with talents in STEAM, as well as the collaboration with professional organisations/bodies in arranging student activities, was reported and discussed.
