

Title of School-Based Support Service (Learning Communities) (2024/25)

Learning Community for Primary English Language Teachers: Integrating Curriculum Initiatives into the Primary English Language Curriculum

**Online
Application Code
L16**

1. Objectives

This support service aims to:

- empower teachers to optimise their school English Language curriculum through integrating various curriculum initiatives into the curriculum
- provide a platform for teachers to inquire into topics of common interest, both collectively and individually, share school-based experiences and resources, and network with other like-minded professionals

2. Foci of Support

- To integrate various curriculum initiatives, including the major renewed emphases in the Primary Education Curriculum Guide (Pilot Version), into the school English Language curriculum (e.g. Reading across the Curriculum (including in the context of supporting STEM/STEAM education), values education (including life education, national education and national security education), and making good use of learning time)
- To optimise the school English Language curriculum to cater for students' diverse learning needs and foster their whole-person development
- To engage participants in professional exchanges through diversified support activities, which include:
 - theme-based workshops
 - inter-school networking activities (e.g. inter-school lesson observation, inter-school visits, experience sharing)
 - 1 to 2 face-to-face/online meetings with language support officers (e.g. consultation, collaborative lesson planning)
